

# TRA-SER® Platinum

## Key Features

- A material pricing database of 2.1 million plumbing-mechanical items from over 720 manufacturers
- Long descriptions with attributed content for better product definitions and easier searching
- High quality color pictures of items and manufacturer catalog pages
- Automated Internet price updating through a scheduler
- Enhanced search engine with drill-down look-up methods

## Additional Features and Benefits

- Improved item list creation and manipulation
- Additional reports like New Item and Price Comparison reports
- Improved Import/Export Wizard
- Reduce the time your staff spends on researching items
- Gives greater product information and searching capability
- Direct link to QuickBooks® accounting program

## Recommended System Requirements

- IBM-PC compatible PC
- Microsoft® Windows® XP, Microsoft Windows Vista®, or Microsoft Windows Server® 2003 operating system
- Minimum processing power of a Pentium® III (or equivalent) running at 800 MHz
- 512 MB of memory or greater
- 52x CD-ROM or DVD-ROM drive
- Microsoft® Internet Explorer 6.0 or greater
- Adobe® Acrobat® Reader 5.0 or greater
- A minimum of 4GB of free hard disk space is recommended
- An Internet network connection or dial-up service for registration and updates. This is optional for registration, but required to obtain database updates (preferably a broadband connection, i.e. DSL, cable modem, T1)

## Trade Service
