OP Data Solutions

FOR O/PUS MOORE, ECI, & ENSITE PRO

AUTOMATE THE LABOR-INTENSIVE PROCESS OF MAINTAINING YOUR PRODUCT MASTER FILE

Maintain the product file in your business system with up-to-date information. Once it's set up, you can focus on other tasks because updating O/PUS Moore, ECi or Ensite Pro is automatic.

We provide a standardized database for office products dealers so you needn't worry about inaccurate or obsolete data again. Ours is the only database complete with MPCs (Moore Product Codes), UPC numbers, manufacturer alpha codes, and wholesaler, buying group, and Super Store part numbers. It supports dealers in maintaining their profit margins with features that include buying group direct-buy pricing, updated wholesaler pricing, and promotional items.
